About UConn Extension

Answers You Can Trust

Programs delivered by UConn Extension reach individuals, communities, and businesses in each of Connecticut's 169 municipalities. Extension programs address the full range of issues set forth in the College of Agriculture, Health and Natural Resource's strategic initiatives:

- Ensuring a vibrant and sustainable agricultural industry and food supply
- Enhancing health and well-being locally, nationally, and globally
- Promoting diversity, equity, and inclusion through anti-racist approaches
- Advancing adaptation and resilience in a changing climate
- Fostering sustainable landscapes across urban-rural interfaces
